Dear Mirman Parents,

Our school lunch program offers parents a convenient option for providing your child with a nutritious and delicious hot lunch throughout the school year. For those of you who participated during our first semester, you undoubtedly realized the benefits of convenience and variety in a hot and healthy meal. The time has come to think about lunch for the second semester of the school year.

Attached you will find the menu of lunch selections for the remainder of the school year. The pre-pay subscription cost is \$6.00 per meal. To subscribe for the remainder of the school year, please review the attached menu and circle or highlight your choices. Please tally your total selections and return this menu along with a check for the total amount made out to **California Fresh Foods**. **(Please keep a copy of your selections for your reference.)**

Mail your menu and check to **California Fresh Foods** at:

California Fresh Foods
9349 Melvin Ave. #6,
Northridge, CA. 91324

(This address is also included at the bottom of the menu.)

To ensure that your child will receive lunch the week of Jan 18th, **please return your menu and check by January 4th**. **(Rooms 4 parents:** Do not order lunch for your Rm. 4 child April 21-23 due to the class trip to Sacramento.)

In order to receive a lunch credit for a school absence due to illness, you must notify California Fresh **by email** (hotlunch@ca.rr.com) **by 8 am** that morning. (The school notifies of absences due to field trips.) Any lunch credits that your child was due up until Dec. 1 went home last week in the children's backpacks. You may include these credit slips with your subscription form and deduct \$6.00 per credit from your total.

California Fresh is again offering the option to "Supersize" the entrée portion of any day's lunch for an additional \$1. To take advantage of this option, notate on your menu the entrée's for which your child would like an additional helping by writing "+\$1" on that day and adding an additional \$1 for each selection to the total amount.

You may add to your lunch order during the semester by mailing a check along with your additions to California Fresh **at least 5 days in advance** of your selected dates. A copy of the menu is always available to download from the Mirman website and newsletter. In a pinch, children may purchase a "walk-up" meal for the **cost of \$7**, however we request that you reserve this option only for rare emergencies so that daily food quantities may be accurately calculated. Pre-enrolling in the lunch program ensures that there will be enough food for all children and is greatly appreciated.

We would like to extend a heartfelt thank you to our dedicated parent (and grandparent) lunch volunteers who help to ensure that our lunch program runs smoothly. Of course, new volunteers are always welcome and appreciated! If you are interested in helping to serve lunch, you may contact either one of us or any of the daily lunch committee chairs listed in the school roster.

Please feel free to call or email us with any questions.

Sincerely,
